

*The Wonders  
The Defining Statements  
Of Existence*

*Existence is but an extension of  
yourself*

*I am sufficient*

*I am limitless,  
my choices reflect my limitlessness*

*That which you are is that which I am,  
that which I am is that which you are*

*That which you choose,  
you do so out of joy*

*All that I am is love,  
all that you are is love*
